A-1 Window flat DSR: front in pink

A-3 Window flat DSR: section AA1
Scale: 1"=1'-0"

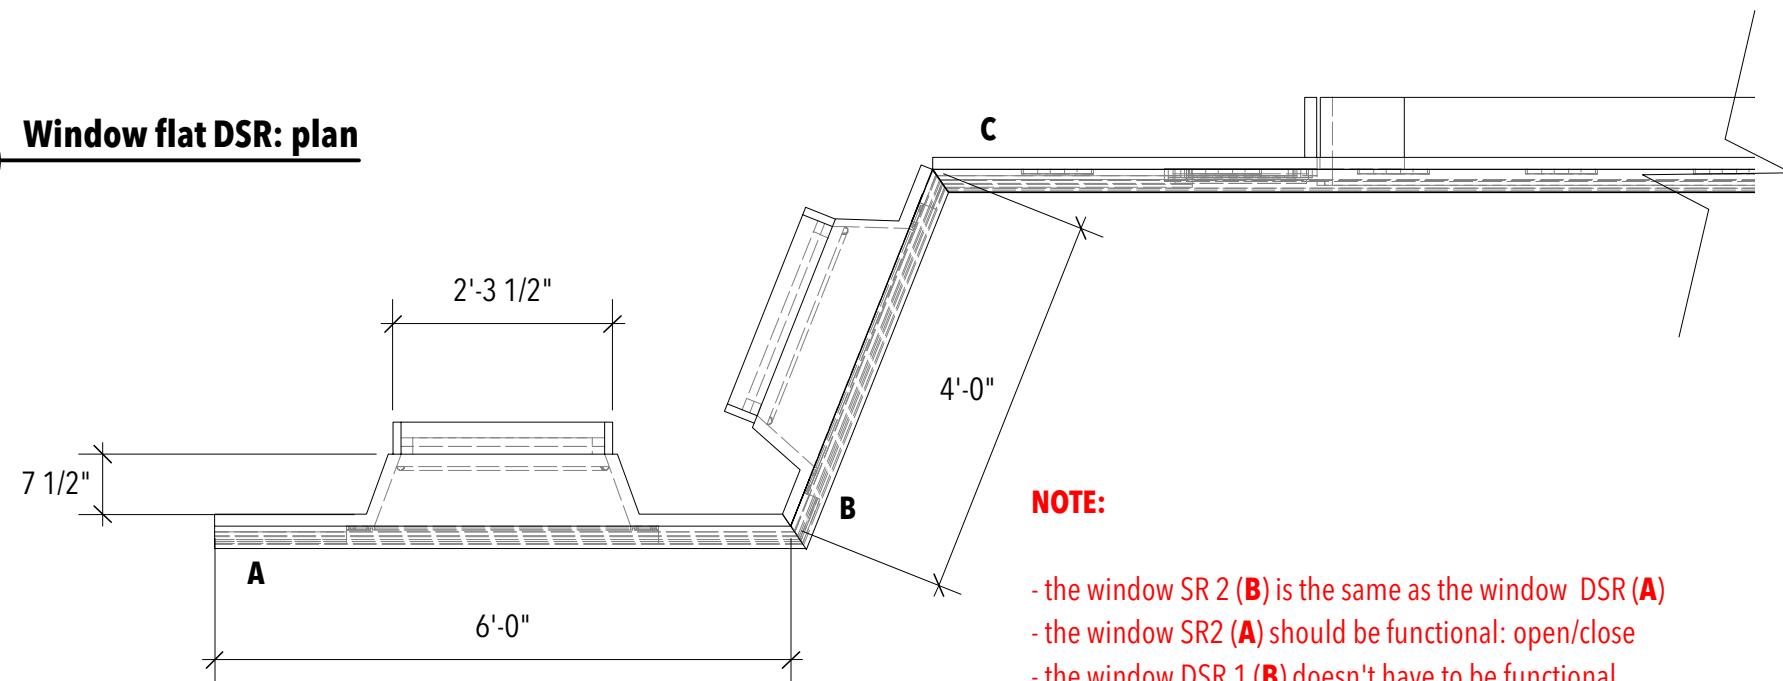

A-4 Crown molding section details
Scale: 3"=1'-0"

NOTE:
- the molding can be modified to reduce the cost of materials
- the chair rail and 2nd molding under the crown molding are the same type

A-2 Window flat DSR: plan

NOTE:
- the window SR 2 (B) is the same as the window DSR (A)
- the window SR2 (A) should be functional: open/close
- the window DSR 1 (B) doesn't have to be functional

C-1 Archway CS: front in light grey

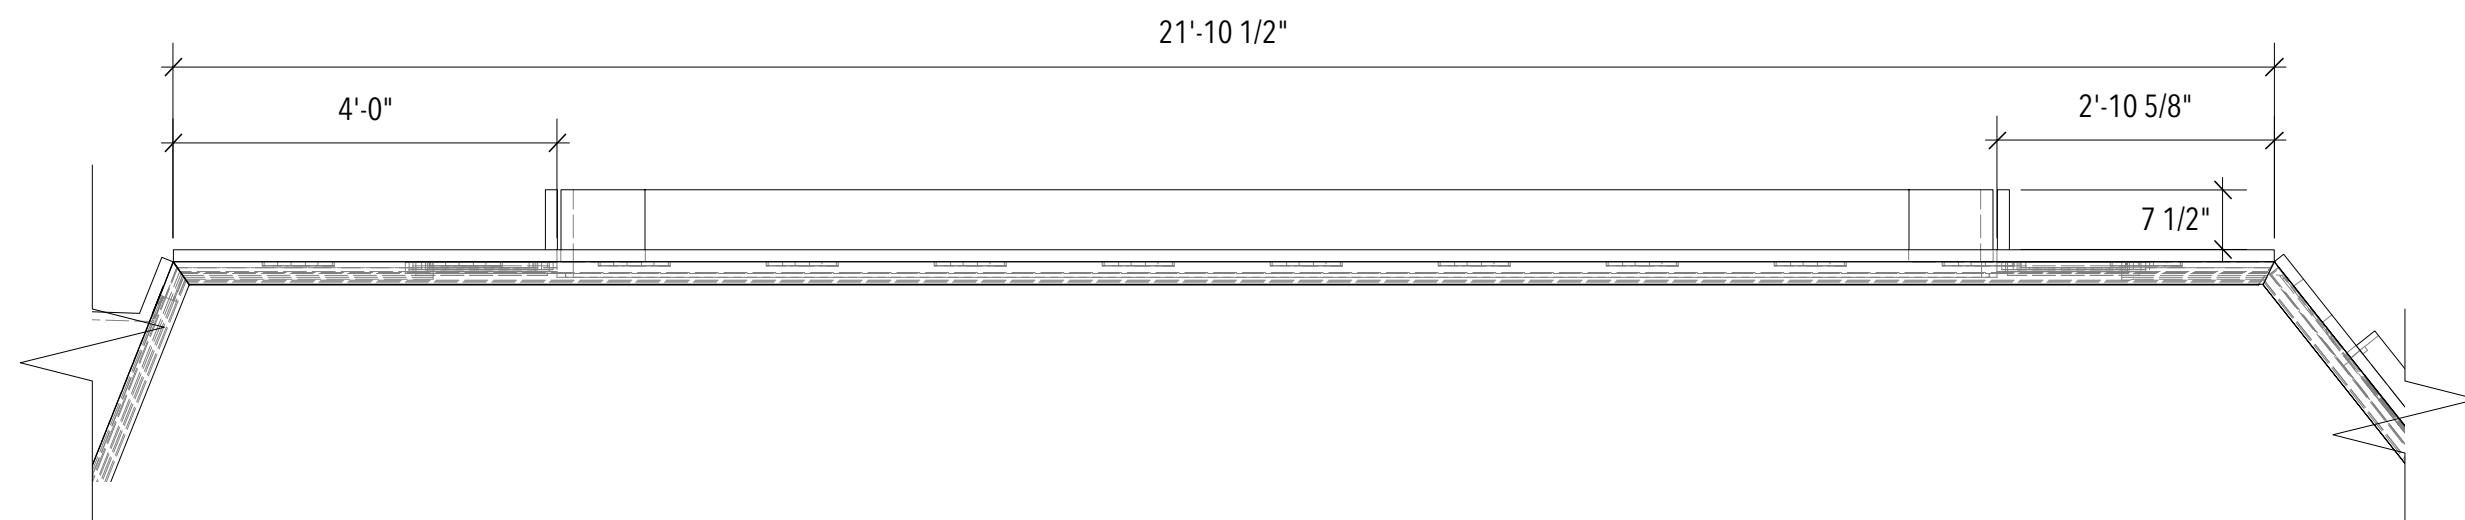

NOTE:

- the pilaster width is 1'-0" but it can be modified depending on what is available in the market or it can be simplified to reduce the cost
- wall sconce: double sconce would be good, gold, rustic, classical than modern

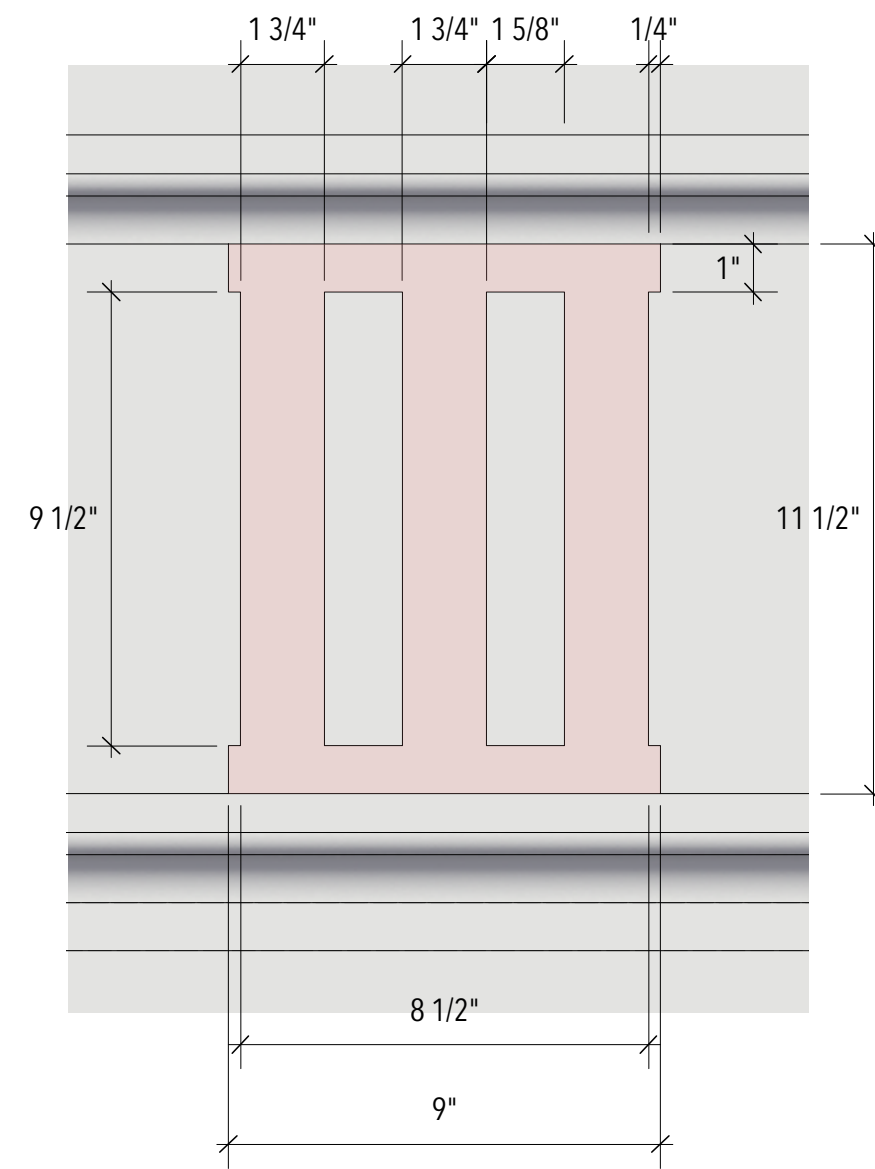

C-2 Archway CS: plan
